Hope Communities

Denver, CO 80205

Dear Board Members, Staff and Founders:

How do you say thank you and congratulations to an organization such as Hope Communities for the work and support they provide to so many families? By holding fast to Hope Communities core values of respect, empowerment, inclusivity, integrity and collaboration, they have been successful in giving families a home, a job, education and most important of all, a sense of community.

For the past 40 years, Hope Communities has provided affordable housing and critical resources to hundreds of children and adults that has been the first step to self-sufficiency. They are to be commended for helping to make Denver a city where everyone has a safe place to call home and to receive the help they need for their families to succeed and to have hope for the future.

Congratulations.

Respectfully,
