Form 990, Part III, Line 4a - Program Service Accomplishments

Programs: Real Estate Development, Affordable Housing

Hope Communities was established 40 years ago, in 1980, by visionaries Ray and Marilyn Stranske. It was initiated as a means to provide training, support services and housing to low-income individuals and families either experiencing or at the brink of homelessness. They quickly realized that people had a difficult time advancing toward self-sufficiency if they did not have a safe place to call home. They began a quest to offer quality, affordable housing with supportive programs and services, which has been vitally important ever since. Over the years, Hope has built, purchased or renovated nearly 800 rental units for low-income renters.

The organization's genesis occurred in the historic Five Points neighborhood, though over the years they expanded their inventory to provide rental units in multiple neighborhoods in Denver. They were the first to build a new mixed-use, mixed income TOD building on Denver's Welton Street light rail line with 9% Low Income Housing Tax Credits (LIHTC), renovated a 130-unit apartment complex in East Denver and purchased 93 townhouses in North Park Hill. Most recently, Hope purchased and renovated an historic building in Five Points to use as a community center with Historic and New Market Tax Credits.

Hope currently holds 278 affordable units across Denver. The organization continues to seek opportunities for future housing development in a city that desperately needs affordable homes for its current employees and others migrating to the Mile-High City.

Programs: Education, Case Management, Resource Navigation and Services for Adults and Children.

We create and offer residents and individuals from area neighborhoods quality educational and enrichment opportunities unique to the individuals we serve. We strive for Hope's residents to be empowered, self-sustainable and active members of the greater community. We provide both direct programs and services as well as leveraging third-party service providers to assist Hope Communities' residents and neighbors. Hope provides housing, programs and services to more than 1,100 individuals per year.

*Resource Navigation - many clients who live on Hope properties need assistance securing basic needs and getting resources to improve their quality of life. Since 25% of the clients served by Hope's program team do not live on property, many need assistance finding housing, in addition to basic needs and resources to improve work, school and health.

*Adult Education - Hope Communities' residents are diverse. Education and opportunity are keys to economic mobility and self-sufficiency. Hope Communities provides programs and services that encourage and engage adult learners to acquire and advance skill sets. Some of these include: Computer Classes, Career Exploration and workforce training, Health Literacy, and English Language Learning Classes (Reading, Writing, Multi-Level Classes), parenting, cultural competencies and leadership development.

*Youth Education - Hope Communities offers early childhood education, healthy

parent-child relationship programs, as well as after-school and summer enrichment, academic support, tutoring, leadership development and programs/activities to advance social-emotional development. Some specific programs include: Ready Tots, Homework Help, Youth Mentoring and Summer Enrichment Programs such as Big City Mountaineering Overnight Camp, Health & Nutrition, Youth Garden Program, Youth Leadership Program and the Girls' Empowerment Group. Hope aims to help children and youth be school ready, have academic success, further social/emotional development, make healthy choices and build character.

*Health and Wellness - On-site health fairs; health literacy and patient navigation; cooking health and budgeting classes; and a walking club are offered to residents to improve health and wellness. Hope Communities offers direct services and partners with programs to increase resident and community members' access to/and understanding of the medical system, healthy eating and exercise.

*Case Management - Individual and family case management services support the basic needs of residents and outside community members. Resource navigation is provided to help residents work effectively with key contacts in the community (such as their children's school, health clinics, employers, etc.) and to assist with problem-solving, legal issues and individual goal attainment. On-site interpretation services are available when needed. The Spring Institutes Project Shine program offers individual and family health-specific patient navigation assistance.
